E-Mail _____

SIGNATURES OF THE BRIDE AND GROOM ARE REQUIRED. Photos should be of good quality, either black and white or color and no larger than 5x7. Close-up portraits (from the waist up) look better in the newspaper than full-length photos. We also use photos of the bride and groom together. Due to the poor quality of computer generated photos, snapshots and instant prints, they can not be used. If you would like to send your photo to us electronically, send it in JPEG format to laura@gaffneyledger.com. Information for wedding write-ups can't be e-mailed as signatures must be provided. We can't guarantee that your announcement will run on a particular date; announcements will be published in the nearest issue following the wedding, space permitting. If you need more space than available on this form, information can be provided on an additional sheet of paper. Short write-ups of showers and parties held prior to the wedding are accepted and may be submitted with the wedding information. Completed forms may be mailed to The Gaffney Ledger, Attn: Laura Parker, P.O. Box 670, Gaffney, SC 29342.
